Trust is an often overlooked but crucial factor in leadership, team dynamics, and organisational performance. It plays a vital role in all relationships, including those with customers, employees, investors and other stakeholders.

This free masterclass designed for business leaders will:

- 1 Help you understand and **engage with trust** in your leadership style.
- 2 Empower you to identify **trust gaps** within your organisation and learn how to assess, address, and cultivate trust.
- 3 Equip you with **practical strategies to build trust** within your team and organisation, as well as with customers, investors, and other stakeholders.
- 4 Enhance your understanding of **your role as a leader** and how it directly influences team dynamics and trust levels.

Take this opportunity to network and collaborate with like-minded professionals and explore the topic of TRUST within a business context.

THE AGENDA:

4-5pm Leadership masterclass

5-7pm Networking
